**For Immediate Release**

## **PRESS RELEASE**

September 2013, Chantilly VA - Bite Me Cancer is pleased to announce its acceptance into the Combined Federal Campaign of the National Capital Area that runs September 1 to December 15, 2013. The Bite Me Cancer CFC number is 74416. Federal employees can find our designation and link on the homepage of [www.bitemecancer.org](http://www.bitemecancer.org).

The Combined Federal Campaign of the National Capital Area (CFCNCA) is the local campaign for federal employees in the Washington Metropolitan Area. Through the CFCNCA, federal employees have the opportunity to donate to more than 4,400 approved local, national and international charities.

In 2012, 130,000 federal employees made this success possible by raising nearly \$62 million – funds that provided promising futures, an improved world, and better communities.

“We are thrilled to be accepted into the CFCNCA!” said Nikki Ferraro, Founder of Bite Me Cancer. “Bite Me Cancer raises research funds and awareness for thyroid cancer, the fastest growing cancer in the U.S. for both men and women as well as supports and inspires teenagers battling all cancers. Federal employees can now help through their payroll deductions to make it possible for Bite Me Cancer to accomplish its goals by designating us through the CFC, #74416.”
